

### **Compass Marketing Makes Donation to the Cystic Fibrosis Foundation**

Compass Marketing and Chairman/CEO John White are proud to contribute to the Cystic Fibrosis Foundation.

This donation will help the Cystic Fibrosis Foundation to take full advantage of the tremendous opportunities in CF research on the horizon. CF is an inherited

chronic disease that affects the lungs and digestive system of about 30,000 children and adults in the United States (70,000 worldwide). Thanks to the dedication and financial backing of supporters--patients, families and friends, clinicians, researchers, volunteers, individual donors, corporations and staff, the Cystic Fibrosis Foundation is making a difference.
