

Compass Marketing Entered a Team in the 2008 JDRF Walk to Cure Diabetes

Team Compass participated in the 2008 Walk to Cure Diabetes to benefit the Maryland Chapter of JDRF. Joseph White, nephew of Compass Marketing Chairman and CEO John White, was diagnosed with type 1 juvenile diabetes when he was 5 years old. JDRF was founded in 1970 by the parents of children with juvenile diabetes - a disease that strikes children suddenly, makes them insulin dependent for life, and carries the

constant threat of devastating complications. Since inception, JDRF has provided more than \$900 million to diabetes research worldwide. More than 80 percent of JDRF's expenditures directly support research and education about research. JDRF's mission is constant: to find a cure for diabetes and its complications through the support of research.
