

**4th Annual Chrome City Ride for Kids with
Disabilities to benefit the Benedictine School**

Compass Marketing sponsored this annual ride of motorcycles, street rods and custom cars through Maryland's scenic Eastern Shore ending at the Benedictine School's campus in Ridgley, Maryland. The day's events included door prizes, auctions, trophies, music and a catered lunch.

Founded in 1959, The Benedictine School provides children and adults with developmental disabilities with the skills and education they need to live and work as independently as possible.

This year's event netted over \$100,000 for Benedictine's kids.
